RULES FOR RIDERS

Riders must read, understand and obey these rules. Rider to keep this form for information.

1. All bikes must be well maintained and safe. Riders must have the appropriate protective gear.
Check Throttle return; Brake and Clutch free play and effectiveness; Wheel and Frame Bearings; Bar Ends; Foot peg spring and return; Spokes; Tyres, Sprockets and Chain tension; Helmet for any damage. If you need help please come and ask us and we will check for you.
2. **Stay on the marked tracks.** NEVER take shortcuts or go backwards other than proper shortcuts marked by the event.
3. **Only use the trails within the hours specified.** Don't go out on the trails before the trails are open or after the trails are closed.
4. **Obey all arrows and signs.** 2 crossed arrows or wrong way signs indicate the wrong way, down arrow/s or slow down signs indicate slow down extra caution needed.
5. **NEVER EVER ride backwards against the arrows!** (If you become confused and are not sure which way is correct, either wait until you see another bike to check the correct direction or walk back carefully until you find an arrow or sign)
6. **Keep left** when practical at all times, be able to stop in less than half the distance you can see, as there could be track changes or vehicles coming the other way outside of our control. **(Just like when you drive home)**
7. **Ride within your capabilities and vision.**
8. **Ride slowly in the base at 10 km per hour maximum.** No wheelies.
9. **Wear the correct safety gear at all times when riding** including helmet, securely fastened, boots that cover the ankle, (no gumboots), long sleeved top and strong long trousers. (Gloves, goggles, knee pads, kidney belt and body armour are strongly recommended)
10. **All riders must read or understand the event rules** and sign the rider participation agreement before riding.
11. **All adult riders must carry a fire extinguisher.**
12. **If you break down, push your bike off the trail to be safe, but stay near the trail.** Wait for event Epic team sweep riders for assistance or send another rider for help. A recovery vehicle will be despatched when possible. Once back at base, report to sign on to confirm that you & your bike are back safe.
13. **If injured, stay with your bike near the trail.** Try to make yourself safe and comfortable. Marshall riders are on trail to help.
The next rider on the scene must stop and assist the injured rider. Make sure that following riders cannot hit the injured person or yourself. Next rider on the accident scene may need to report to base as soon as they are back to make sure incident has been reported to the Epic team.
Only use proper marked short cuts to get home faster. If you think you may have been reported injured, but make it back to base, please report to the event HQ to say that you are back safe.
